I have discussed this with the Registrar. The medal will be called the Mysore medal for cooperation. It will have the word 'Mysore' & the words "For Cooperation" at the top & bottom of the ~~obverse~~ obverse of the medal, & a pair of clasped hands in the centre (the usual symbol for cooperation). The year of grant may be engraved on the reverse.

The final note as revised by us is submitted herewith.

Final Note by the Third Member of Council.

Subject :— Grant of medals to the best co-operators.

With a view to induce earnest non-official workers to come forward in large numbers to further the co-operative movement, the Registrar of Co-operative Societies has recommended the grant to the best co-operators, of four medals to be called "Sri Krishna-rajendra Co-operative Service Medals" smaller in value than the Public Service Medals presented at the Durbars.

I am of opinion that two medals to be styled "The Mysore Medal for Co-operation", of a design to be approved by Government and of smaller value than Public Service Medals, may be granted every year, and presented during the Provincial Conference.

The papers are submitted for the gracious approval of His Highness.

Dear Mr. Ramachandra Rao,

With a view to attract earnest and selfless non-official workers in larger numbers to the Co-operative Movement who by virtue of their position and popularity, will be able to materially help the Department in the rapid expansion of the Movement in the State on right lines, it is necessary, in my opinion, that some inducement should be offered to them by way of recognition of their work - by awarding them certificates of honour or presenting them with medals and khillats. The Mysore Co-operative Committee have also recommended that the services of non-official gentlemen should be utilized largely for co-operative work and that the recognition may take any of these forms. While thanking His Highness the Maharaja and the Government for their kind recognition of the services of some good co-operators of the State during the past few years by the grant of khillats and public service medals in open Durbars, I may be permitted to point out that the honor done every year will be for one or two co-operators only and as such, it would reach but a very small fraction of co-operators in the State. With a view to extend this to several people and create a spirit of emulation I would suggest that at least four Co-Operative Service Medals for each year may be awarded to the best Co-operators who have rendered meritorious service by associating themselves with the work of one or more societies and making them as models for neighbouring societies by expanding their work and usefulness and thus paving the way for the spread of Co-operation in the State. These medals

may

may be styled as Sri Krishnarajendra Co-operative Service Medals and they may be of smaller value than the Public Service Medals presented at the Palace Durbar. The medals may be presented to the Co-operators by the Dewan Sahib or His Highness the Yuvaraja at the annual Provincial Co-operative Conferences just as Co-operative Shields are presented to co-operative societies for good work done during the year. Such a public recognition would go a long way in creating a spirit of healthy rivalry for doing public service.

Government have already sanctioned the grant of eight certificates of Honour one for each District in their order No.I.C.4957/C.S.25-24-6 dated 23rd January 1925, but as it was thought desirable to have them awarded under His Highness the Yuvaraja's immediate and gracious presence, no certificates were awarded till now. Arrangements will however be made for awarding them from this year.

I request you to kindly submit this letter to the Dewan Sahib and obtain his orders in the matter.

Yours Sincerely,

H Ramayya
